State of the
STEEL VALLEY
Legislative Breakfast

EVENT

The 'State of the Steel Valley' Legislative Breakfast brings together elected officials, municipal leaders, business owners, nonprofit organizations, economic development professionals, and community stakeholders for a morning of discussion focused on the future of the Steel Valley.

Setting the stage for Steel Valley Accelerator's premier public affairs and economic development event, this gathering provides a unique opportunity for organizations to align their brand with regional leadership, economic growth, community investment, and civic engagement.

Your sponsorship directly supports Steel Valley Accelerator's mission to strengthen local businesses, attract investment, encourage collaboration, and advance economic opportunity throughout Homestead, Munhall, and West Homestead.
