

You are cordially invited to join us **Wednesday, September 23rd** for our inaugural **'State of the Steel Valley' Legislative Breakfast**, a new forum designed to elevate the opportunities, priorities, and partnerships shaping the future of Homestead, Munhall, West Homestead, and the surrounding region. Reserve your tickets now:

This new, annual forum will serve as an opportunity to bring together elected officials, business leaders, municipal representatives, and community stakeholders for meaningful conversation on economic growth, neighborhood revitalization, and the future of the Steel Valley.

Guests will hear updates on legislative priorities, economic development initiatives, infrastructure investments, business growth opportunities, and community projects while connecting with others who are committed to strengthening our communities.
